A Digital DJ looking for a professional, durable case solution for your Pioneer DJM-S9 mixer? Then look no further, UDG developed a super light EVA Hardcase designed for life on the road. Constructed from durable lightweight compression moulded EVA material with a laminated nylon exterior this case provides protection against drops, scratches & liquids. High density Egg crate interior padding protects faders and buttons of the mixer. Skilfully designed & moulded to fit the Pioneer DJM-S9 mixer, this case is perfect for the travelling DJ that needs to protect their equipment.
